WORK EXPERIENCE

MB IT Solutions Pvt Ltd

Nov 2023 to Dec 2024

Frontend Web Developer

Guntur

- Developed 4+ fully responsive web applications using HTML, CSS, JavaScript, React.js, and Tailwind CSS.
- Reduced page load times by 30% through targeted optimizations.
- Ensured cross-browser compatibility and accessibility compliance for all major browsers.

PROJECTS

Hindustan Mechanical Works - Company Website

Oct 2024 - Nov 2024

Technologies: React.js, Tailwind CSS

- Developed a company website using React.js and Tailwind CSS with a mobile-first design.
- Verified cross-device compatibility and incorporated modern UI elements.
- Enhanced performance and executed smooth navigation transitions.

Diamond Public School - Educational Website

Nov 2024 - Dec 2024

Technologies: HTML, CSS, JavaScript, jQuery

- Designed and developed a fully responsive school website to present academic information, events, and contact details.
- Optimized code for faster loading and improved user engagement.
- Utilized HTML and CSS for layout and styling, ensuring a clean and structured design.
- Employed JavaScript and jQuery to implement interactive features such as image sliders, dynamic content, and smooth scrolling.
- Prioritized accessibility and mobile-friendly design to support all users across devices.

SS Plus IT Solutions - Company Website

Aug 2024 - Sep 2024

Technologies: React.js

- Developed a responsive company website for SS Plus IT Solutions using React.js, showcasing services, contact details, and business information.
- Collaborated with stakeholders to reflect branding and improve overall UX/UI design.
- Implemented component-based architecture for scalability and code reusability.
- Integrated smooth navigation using React Router for seamless page transitions.
- Applied responsive design techniques to ensure compatibility across mobile, tablet, and desktop devices.
- Optimized assets and utilized lazy loading to enhance site performance and speed.

AP Ashok Photography - Photography Website

Aug 2024 - Sep 2024

Technologies: HTML, Bootstrap, jQuery, JavaScript

- Designed and developed a modern photography portfolio website showcasing visual work in a clean, responsive layout.
- Ensured cross-browser compatibility and optimized page load times.
- Integrated jQuery and JavaScript to add interactivity such as image sliders, lightboxes, and smooth scrolling.
- Focused on a minimal UI with strong visual impact, emphasizing image clarity and performance.

Simple E-commerce Website

Jan 2025

Technologies: React.js, Tailwind CSS

- Emphasized performance, code modularity, and responsive design principles.
- Created a fully responsive e-commerce frontend using React.js and Tailwind CSS, including product listings, cart functionality, and checkout flow.
- Integrated React Cart to manage cart state, quantity updates, and total calculations effectively.
- Designed reusable components for product cards, navbar, filters, and shopping cart drawer.
- Implemented smooth navigation using React Router and ensured a clean user experience across all devices.

CERTIFICATIONS

Python Full Stack Developer

Kiran Sagar Institute
